AMERICAN MASTERS: JUDY GARLAND: BY MYSELF

Judy Garland had one of the most photographed faces ever to come out of Hollywood. She is as iconic as she is misunderstood. There were her problems, to be sure, but the proof is in the performances, from *The Wizard of Oz* to the Palladium, from the Oscars to the Grammys. With singular entrée to the MGM library, including vaulted screen tests and rehearsal footage, this film is wrapped in Garland's voice, telling her story in her own words. So many outsiders have tried to tell this story and so many friends and family have weighed in — now Judy gets center stage, all to herself.

POV: MY REINCARNATION

Filmed over 20 years by acclaimed documentarian Jennifer Fox, "My Reincarnation" chronicles the epic story of exiled Tibetan Buddhist master Chogyal Namkhai Norbu and his Western-born son, Yeshe. As Norbu rises as a teacher in the West, Yeshe, recognized from birth as the reincarnation of a famed Buddhist master, breaks away to embrace the modern world. Can the father convince his son to keep the family's spiritual legacy alive? With intimate access to both the family and the Dalai Lama, Fox distills a decades-long drama into a universal story about love, transformation and destiny.
